people without any reference whatsoever to directorship. This is something that a well organized and thinking Executive Board would provide for to be one of the first orders of business in January or in any subsequent January and this type of an appointment is not going to be something that is changed daily. We have managed for two years to get along without any designation whatsoever of a position and we can do it again. If we wish to give away our prerogative for a first look at this appointee, then that is up to this body. I would suggest that this amendment not be adopted and that the subsequent amendment that I have offering the proposition of discharge as well as appointment being subject to the approval, the prior approval, of this body be adopted subsequent to this motion. I would oppose the motion.

PRESIDENT: Senator Barnett, would you close debate on your motion to return.

SENATOR BARNETT: Yes, Mr. President, I think that the issue has been pretty well discussed and I know there is an honest difference of opinion in some people. This allows for the temporary appointment with confirmation by the Legislature when it is in sitting and also for the removal of the majority of the members of the Legislature, and I would ask that you would give this favorable approval to move this back so that we can adopt this amendment.

PRESIDENT: You heard the motion. Record the vote. The motion is to return the bill for the specific amendment. Please vote. Please vote. Have you all voted? Record.

CLERK: 27 ayes, 7 nays.

PRESIDENT: The bill is returned, Senator Barnett.

SENATOR BARNETT: Mr. President, I would move for the adoption of the amendment.

PRESIDENT: All right. You have heard the motion. Record your vote. Please vote. Have you all voted? Please vote. Record.

CLERK: 25 ayes, 9 nays, Mr. President.

PRESIDENT: The amendment is adopted. Senator Barnett.

SENATOR BARNETT: I would move that LB 799 be advanced.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced.

CLERK: Mr. President, your Committee on Enrollment and Review reports we have examined and reviewed LB 182 and find the same correctly engrossed; 313 correctly engrossed and 434 correctly engrossed. Signed Senator Dworak, Chairman. Mr. President, your committee on Enrollment and Review reports we have examined and review LB 296 and find the same correctly enrolled; 643,
